

Component Unit Year-End Reporting Memorandum – FY 2008
Attachment CU3 – Instructions
GASBS No. 14 Checklist Modified to Reflect GASBS No. 39

Purpose

This attachment is a checklist used to evaluate, based on GASBS No. 14 and GASBS No. 39 criteria, each organization, foundation, or commission within an entity for possible inclusion as a component unit in the CAFR.

The entity will need to evaluate any potential organizations, foundations, or commissions related to the entity. For this attachment, the entity (e.g. Virginia Biotechnology Research Partnership) is the primary government (PMG) and **NOT** the Commonwealth. This attachment will help the entity evaluate whether inclusion of the organization, foundation, or commission is required in its statements. If an organization, foundation, or commission is determined to be a component unit, the GASBS No. 39 Reporting Entity Checklist is also used to evaluate the method of disclosure.

Note: This attachment is similar to prior year's Attachment CU3.

Applicable entities

- All component units that have a potential component unit that has **not** been previously evaluated using the GASBS No. 39 checklist must complete this attachment.
- All component units that have a potential component unit that **has** been evaluated in prior years **if** a change has occurred that might affect its classification must complete this attachment.

Note: If this entity has any **foundations** or **discrete component units**, the entity must also complete **Attachment CU12, Intrafund Activity**. Blended component unit activity should be reported net of intrafund eliminations.
